“For over 25 years Powerline Industries has provided quality engineered and environmentally safe cleaning agents and maintenance programs for companies nationwide.”

PRODUCT EVALUATION

Baby Blue is a very powerful, yet gentle, carpet and upholstery spot remover engineered for oily and heavily soiled spots on all washable carpeted or upholstered fibers.

PURPOSE

Baby Blue is designed for the removal of grimy and oily deposits in heavily soiled areas on upholstery and carpet.

PROPERTIES

Baby Blue is uniquely formulated to penetrate and lift most types of soils and oils.

USAGE

Very effective on orientals, synthetic and natural carpet fibers, such as wool and wool blends. Used as an effective spotting agent.

APPLICATION

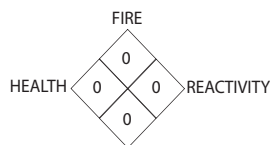

Add .5 oz. of Baby Blue to 15 oz. of water. Apply on stain, agitate in, allow to dwell a few minutes and blot with a clean, white rag. Repeat as necessary

INGREDIENTS

100% organic wetting, penetrating and emulsifying agents. Specifically formulated blend of 100% all-natural surfactants and water soluble all-natural extracts.

SIZES AVAILABLE

32 oz and 1 gallon for refills.
