“For over 25 years Powerline Industries has provided quality engineered and environmentally safe cleaning agents and maintenance programs for companies nationwide.”

PRODUCT EVALUATION

Ultra Citra Boost is an all natural water soluble citrus based degreaser; an innovative break-through additive for boosting pre-spray solutions.

PURPOSE

Ultra Citra Boost is formulated for oils and greasy substance removal, including vegetable oils.

PROPERTIES

Ultra Citra Boost will not separate in water and instantly emulsifies grease, oils, and fats without the use of harsh alkaline or solvents, making it the premier ultra citrus booster additive. Safe to use on most surfaces and washable fibers. Leaves no residue after proper rinsing.

USAGE

Ultra Citra Boost is used successfully in boosting pre-spray on extremely greasy, dirty carpets.

APPLICATION

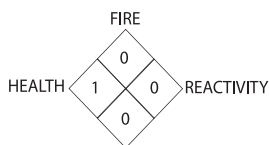

Add 1 to 2 oz. of Ultra Citrus Boost into 5-quart inline sprayer. Set sprayer at 1:4 or 1:8.

INGREDIENTS

A light orange color liquid, containing organic wetting and penetrating agents. Specifically formulated blend of 100% all-natural ingredients, water-soluble safety solvents and D-Limonene oil.

SIZES AVAILABLE

32 oz and 1 gallon for refills. Larger sizes available upon request.
