- Dissolves Dirt & Grime
- Cost Effective
- 100% Biodegradable

Diluted pH 12 at 1:4

“For over 25 years Powerline Industries has provided quality engineered and environmentally safe cleaning agents and maintenance programs for companies nationwide.”

PRODUCT EVALUATION

T&GC is a highly effective restorative tile, grout and all-purpose cleaner used extensively in restoration work.

PURPOSE

T&GC is a degreasing compound engineered for the removal of stubborn grease, tar and oil deposits from heavily soiled areas on hard surfaces and equipment.

PROPERTIES

T&GC's acts quickly to penetrate and lift grease and dirt from hard surfaces. Leaves no re-attracting residue and contains a built-in rust inhibitor.

USAGE

A fast acting effective cleaning agent for tile, grout and hard surfaces including concrete. Safe on most washable surfaces.

APPLICATION

Super duty cleaning: add 32 oz. per gallon of hot water (1:4)
Heavy duty cleaning: add 16 oz. per gallon of hot water (1:8)
Light duty cleaning: add 8 oz. per gallon of hot water. (1:16)
Apply with low pressure spray or mop. Let dwell for 10 -15 minutes, do not let dry, agitate with Turbo-type grout cleaning tool. Finish with hot water extraction.

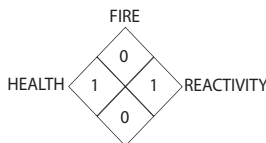

INGREDIENTS

A yellow-colored liquid with a specifically formulated blend of biodegradable, wetting, penetrating, emulsifying agents and water soluble safety solvents.

Diluted pH 12.0 at 1:4

SIZES AVAILABLE

1 gallon, 2.5 gallon and 5 gallon head pack.
