"For over 25 years Powerline Industries has provided quality engineered and environmentally safe cleaning agents and maintenance programs for companies nationwide."

PRODUCT EVALUATION

Mixed-Rite Urine terminator is a 100% biodegradable, cost effective, professional strength odor neutralizer.

PURPOSE

Urine Terminator is an aggressive obnoxious odor eliminator.

PROPERTIES

Urine Terminator is a patented, scientifically developed, bacterial substance that is encapsulated to ensure long shelf life. These microbial agents, when activated by hot water, digest odor causing fats, oils, grease and proteins.

USAGE

Use Ultra Concentrated Urine Treatment as an effective odor cancellation agent for child, pet and organic substances.

APPLICATION

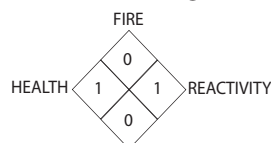

Depending on problem severity, mix 1 to 2 ounces of Ultra Concentrated Urine Terminator to 14 to 15 ounces of very hot water in spray bottle. Saturate and agitate area well. Let dwell at least 1 to 2 hours. Extract with "Water Claw", if available. Reapply topically and let dwell for 12 hours or more. Will not re-soil.

INGREDIENTS

A light blue liquid containing patented, hyper, non-pathogenic bacteria whose by-product is CO₂ plus water. (100% biodegradable)

SIZES AVAILABLE

32oz, 64oz, 2.5 gallon and 5 gallon head pack.

HAZARD RATING
4 = Extreme
3 = High
2 = Moderate
1 = Slight
0 = Insignificant

PRECAUTIONARY STATEMENT

Keep out of reach of children. Avoid contact with eyes, should contact occur with eyes, flush with liberal amounts of water for 2-3 minutes. If ingested, do not induce vomiting and get immediate medical attention. Avoid prolonged breathing of vapors.
